Board Meeting

Gosse referred the Council to December Oelwein Community Plaza Board minutes.

OPIC Tunnel Floor  
Design

Gosse reviewed a proposed drawing of the Oelwein Private Investment (OPIC) tunnel floor design with the recommendation to turn it one-quarter of a turn to create a diamond shape. The design includes use of the four medallions used in the downtown streetscape. A motion was made by Gosse, seconded by Brandt to accept the design as recommended. All voted aye.

Motion Carried

Gosse reported Suckow Construction recommended using 4" concrete in the tunnel floor as it is a sheltered area and not exposed to the weather. Use of 4" concrete versus 5" would result in a \$1,200 to \$1,500 cost savings. A motion was made by Gosse, seconded by Brandt to use 4" concrete in the tunnel floor walkway. All voted aye.

Motion Carried

A motion was made by Gosse, seconded by Ryan to request OPIC incorporate textured panels at the slope of the walk along of the alley. All voted aye.

Motion Carried

The OPIC payment schedule was discussed. VanVeldhuizen will review the contract terms.
