

Take control of your health by participating in regular physical activity. Combined with a balanced diet, a consistent exercise program will help you achieve any health, weight loss or overall wellness goals you may have.

Fitness Facilities

- **Indoor Walking Track**
The indoor track allows walkers and runners to enjoy exercise in rain or shine. Take advantage of the climate controlled, shock absorbent track and step into better health.
- **Circuit Weight Machines**
Weight machines that will work every muscle in the body are set up in a circuit format in the gym area. Go through the machines for a quick and effective total body workout. Staff is available to answer questions and give free orientations on all of the equipment.
- **Cardio Room**
The cardio room has a variety of machines to get your heart pumping including treadmills, cross trainers, stair climber, NuStep and exercise bikes.
- **Free Weight Room**
The newly remodeled Oelwein High School free weight room is available to members for use. It features Power Lift equipment including dumbbells from 5-100 lbs., Olympic bars, five combo racks, a functional cable trainer and other high quality weight equipment.
- **Fitness Classroom**
This room is available during staffed hours when there are no scheduled fitness classes. It has a soft floor that is ideal for stretching and core work. There is a variety of equipment available for use in the fitness classroom including dumbbells, resistance bands, exercise balls, medicine balls and jump ropes. It is a great place to utilize for a total body workout.
- **Gymnasium**
The large gym allows members to participate in various recreational activities including basketball, volleyball, dodge ball and more. Gym space can be reserved or utilized during open gym times.
- **Racquetball Court**
One regulation racquetball court is available for use to members. Racquetballs and rackets are provided by the center during staffed hours.
- **Locker Rooms**
Locker rooms with showers and lockers are available. Hand towels are also provided.

Fitness Classes

Our certified instructors teach effective and energetic fitness classes every day. Choose from a variety of formats to find one that fits your training program. We have classes for participants of all ages and fitness levels that are offered from early morning to late evening so you are sure to find one that works for your body and schedule.

Personal Training

Personal training offers a customized exercise program to individuals who want personal attention in obtaining their fitness goals. Trainers will design, implement and manage an individualized program based on health assessments, fitness testing and a face to face consultation. All trainers are certified and have extensive training to provide the support and boost you need!
